

QUICK CHECK: CHECKLIST FOR INSTRUCTIONAL HEALTH

AGENDA

1. **Students know what to expect:** put the day's agenda on the board daily

LEARNING OBJECTIVES

2. **Learning objectives written & constantly visible** (same place on board each day)

KEEP TIME

3. **Instructors use timers to keep lessons (& daily schedule) on track.** Start & end on time.

LOTS OF PRACTICE

4. **Large part of class time devoted to practice & feedback on their practice. NOT JUST LECTURE!**

ASSESSMENT

5. **Are students learning?** Check early, check often. Informal (in class) & formal (HW, project evaluation)
